

Axel Bex, MD, PhD
Consultant Clinical Lead Specialist Centre for Kidney Cancer
The Royal Free London NHS Foundation Trust, Associate Professor UCL Division of
Surgical and Interventional Science,
Pond Street, London NW3 2QG, UK

Dr Axel Bex is a urologic surgeon who specialised in renal cancer surgery and led several single-arm and randomised controlled trials investigating the combination of systemic therapy and surgery in metastatic and high-risk renal cell carcinoma. He is vice chair of the EAU RCC guideline panel and chair of the EORTC GU group. After 20 years at the Netherlands Cancer Institute he now practices mainly at the Specialist Centre for Kidney Cancer at the Royal Free NHS Foundation Trust in London.
