

International Kidney Cancer Coalition (IKCC)

Board Directors / Medical Advisory Board Conflicts of Interest Form

Board Directors and members of the Medical Advisory Board have a legal obligation to act in the best interests of the International Kidney Cancer Coalition (IKCC), in accordance with the IKCC's Deed of Incorporation. The IKCC requires that all Board Directors and members of the Medical Advisory Board make full disclosure of all potential conflicts of interest that may arise where an individual's personal or family interests and/or loyalties, relationships, business transactions, presentations or publications conflict with those of the IKCC. Board Directors / Medical Advisory Board members and their relations by blood or marriage up to and including the third degree may not receive any direct or indirect personal benefit from deliveries to or agreements with the Coalition.
