

# Global Kidney Cancer Summit 2020

**10<sup>th</sup> International Conference  
for Organisations  
Representing Patients  
With Kidney Cancer**

**Program of the Virtual Meetings**

# Global Kidney Cancer Summit 2020

**NOTE: All timings UK local time GMT**

## DAY 1 – Thursday 29<sup>th</sup> October 2020

<p><b>11:00 – 11:15 GMT</b></p>	<p><b>START OF THE CONFERENCE</b>  <b>Welcome to the 2020 Global Kidney Cancer Summit</b>  <i>IKCC Chair: Dr Rachel Giles (NL)</i>  <i>IKCC Vice Chair: Bryan Lewis (USA)</i>            (Including launch of the IKCC Global Patient Survey 2020)</p>
<p><b>11:15 – 12:15 GMT</b></p>	<p>Moderator: Bryan Lewis (USA)  <b>Keynote Address:</b>  <b>Can Studies of the VHL Gene Get Us to Curative Combination Therapies for Kidney Cancer?</b>  <i>Speaker: William G. Kaelin Jr., MD, 2019 Nobel Laureate in Medicine</i>            Q &amp; A Session   <u>Expected learning outcome:</u>            Attendees will receive insights into the Nobel Prize-winning efforts of Dr William Kaelin on the importance of oxygen sensing in the VHL gene and how that impacts the growth of tumours.</p>
<p><b>12:15 – 14:00 GMT</b></p>	<p>Moderator: Bryan Lewis (USA)  <b>Impact of COVID-19 on the Kidney Cancer Community:</b>  <b>Lessons learned and plans for the future</b>  <i>Research Perspective: Dr William G. Kaelin Jr. (USA)</i>  <i>Infectious Disease Specialist: Dr Roy F Chemaly (USA)</i>  <i>Patient Perspective: Jay Bitkower (USA)</i>  <i>Clinical Perspective: Prof. Tom Powles (UK)</i>   <u>Expected learning outcome:</u>            Delegates will hear directly from a distinguished panel regarding the impact of COVID-19 on individuals affected by and institutions treating kidney cancer and gain insights to bring to their own communities.</p>

# Global Kidney Cancer Summit 2020

**NOTE: All timings UK local time GMT**

## DAY 2 – Saturday 7<sup>th</sup> November 2020

**16:30 – 22:00 GMT**

### **19<sup>th</sup> International Kidney Cancer Symposium**

In collaboration with Kidney Cancer Association (USA), join patient-centered panel discussions about treatment, shared decision making, survivorship and side-effect management.

[www.kidneycancer.org/virtual-patient-symposium/](http://www.kidneycancer.org/virtual-patient-symposium/)

## DAY 3 – Thursday 19<sup>th</sup> November 2020

**12:00 – 12:05 GMT**

Moderator: Dr Michael Jewett (CA)

### **Special Announcement: The Cecile and Ken Youner IKCC Scholarship**

*Dr Adriano Beserra, A.C. Camargo Cancer Centre, São Paulo, Brazil*

The Developing of a Patient-derived Xenografts Project in Renal Cell Carcinoma: First Results

**12:05 – 13:30 GMT**

Moderator: Dr Michael Jewett (CA)

### **Research Update: A 360 Review of Renal Cancer Clinical Trials and Research**

*Clinical trials current and ongoing: Dr Craig Gedye (AU)*

*Horizon Scanning: Dr Eric Jonasch (USA)*

*Patient Perspective: Alison Fielding (UK)*

Q & A Session

#### Expected learning outcome:

**This review of current trials and research by leading clinician researchers followed by the patient perspective will enrich patients, survivors, caregivers, advocates and clinicians to better understand the importance of clinical trials and research to improve participation, funding and quality, ultimately advancing kidney cancer treatment.**

**13:30 – 15:00 GMT**

Moderator: Dr Michael Jewett (CA)

### **Surgical Advances Summary: Exploring cytoreductive surgery, biopsy, small renal masses and oligometastatic disease**

*Role of renal tumour biopsy in 2020: Dr Antonio Finelli (CA)*

*Current management of small renal masses: Dr Ricardo Leão (PT)*

*Role for surgery in advanced disease: Prof. Axel Bex (UK)*

Panel Discussion: Dr Stênio de Cássio Zequi (BR), Dr Roman Sosnowski (PL),

Dr Francisco Rodríguez-Covarrubias (MX), Dr Seok-Soo Byun (KR), Ms Christine Collins (CA)

Q & A Session

#### Expected learning outcome:

**Attendees will hear about recent advances in surgery and other interventions from some of the most skilled and knowledgeable clinicians to better understand their significance to help make better decisions in treatment management.**

# Global Kidney Cancer Summit 2020

**NOTE: All timings UK local time GMT**

## DAY 4 – Monday 30<sup>th</sup> November 2020

**11:30 – 13:00 GMT**

Moderator: Dr Rachel Giles (NL)

### **Changing Side-Effect Management in the Era of Immunotherapy**

*Clinical Perspective:* Dr Ravindran Kanesvaran (SG)

*Nurse Perspective:* Nikki Hunter (UK)

*Patient Perspective:* TBC (AU)

Panel: Robin Martinez (USA)

Q & A Session

Expected learning outcome:

Attendees will understand the primary problems experienced by patients taking immunotherapy for their kidney cancer both during their therapy as well as after their therapy is finished. Practical solutions will be presented.

**13:00 – 14:30 GMT**

Moderator: Dr Rachel Giles (NL)

### **Knowing the Right Treatment for the Right Patient and the Right Time: Balancing the Options**

*Clinical Perspective:* Dr Danny Heng (CA)

*Clinical Perspective:* Prof. James Larkin (UK)

*Patient Perspective:* Adilson Dias Lopes (BR)

Q & A Session

Expected learning outcome:

Attendees will learn what is currently known about which patients benefit from which therapy, and the findings from ongoing studies.

**14:30 – 14:45 GMT**

### **Closing Remarks and a Vision for 2021**

*IKCC Chair:* Dr Rachel Giles (NL)

*IKCC Medical Advisory Board Chair:* Dr Michael Jewett (CA)

**Thank you to the 2020 IKCC Conference Committee**

**who have graciously volunteered their time to organise this meeting:**

**Dr Rachel Giles (NL), Belinda Jago (AU), Dr Michael Jewett (CA), Olle Karlsson (SE), Bryan Lewis (USA), Rose Woodward (UK)**

**Supported by: Julia Black (UK), Rebecca Cubbage (UK), Karin Kastrati (DE)**

We would like to thank the following companies who have supported the 2020 Global Kidney Cancer Summit by becoming Sustaining Partners for 2020
