

Joshua Mann, MPH
United States

Joshua Mann joined the VHL Alliance in May of 2017. In his role as the Director of Health, Josh provides patient support, works with VHL Clinical Care Centers, serves as the Principal Investigator for the MyVHL: Patient Natural History Study, and more. Josh earned his Masters of Public Health degree in Health Care Policy and Management at New York Medical College and his Bachelors of Science degree in Business Administration and Health Care Policy and Management at Carnegie Mellon University. He has devoted his career to improving the patient experience through a variety of endeavors including entrepreneurial pursuits, nonprofit work and collaborating with leaders in the field. Apart from his work with the VHL Alliance, Josh serves as the Vice-Chair of his municipality's Board of Health, volunteers as a Vice-Chair of the HLRCC Family Alliance, and volunteers as an Artistic Advisor for the Jewish Arts Collaborative.
