

Professor Laurence Albiges, M.D., Ph.D., is the Head of the Medical Oncology department at Gustave Roussy, Villejuif, France

Her main field of interest across genitourinary tumours is new targets in renal cell carcinoma and non-clear cell renal carcinoma and contributes to numerous other research endeavours, with over 250 articles published in peer-reviewed journals.

From 2015 to 2021, she chaired the Genito-Urinary Group at Gustave Roussy and subsequently took on the Medical Oncology department head role.

She serves as GETUG board member, as well as ESMO Faculty coordinator for GU tumor – non prostate.

She is an ASCO member and was awarded several ASCO Merit Awards for her work.

She is a member of both the EAU RCC guidelines panel and ESMO RCC guidelines panel.
