

# Global Kidney Cancer Summit

4<sup>th</sup> – 6<sup>th</sup> April 2025  
Madrid, Spain

**Name:** Nataša Elvira Jelenc  
**Organisation:** Cancer Patients Association of Slovenia  
**Country:** Slovenia  
**Email:** natelje@gmail.com

**Education:**

BA degree in Roman Languages and Literature, University of Ljubljana.  
MA in Literature and Communication, University of Paris (X).

After surviving breast sarcoma in 2001 I became part of Cancer Patients Association of Slovenia. Since then I have been volunteering as cancer patients' counsellor, being active in advocacy, editorial board of our magazine, writing articles etc. Eight years ago I became Vice President of the Association.

From the beginning on I have been active on international level, attending many LuCE conferences, World Pancreatic Cancer Coalition, EPCC and participating in researches.
